

Invitation

RAPID Biomedical is celebrating its 20th anniversary this year.

You are cordially invited to join us for a short ceremony in the historic Great Hall of the Rimpar castle which will be followed by a tour of the company's facilities.

The program details can be found adjacent to this invitation.

As space is rather limited, especially in the Great Hall, we would like to kindly ask for your much-appreciated email response to mail@rapidbiomed.de by June 18th, 2018.

We look forward to welcoming you in Rimpar.

With best regards,

Dr. Florian Odoj
Managing Director
